

**“GO UP” – A collection of inclinations from Allison Milliron (allisonmilliron@gmail.com)**

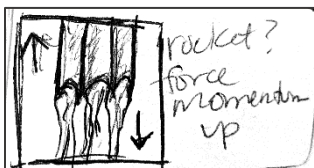

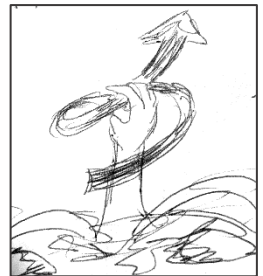

On January 1, 2020 the Lord spoke to my heart that it was going to be a Year of “ABOUNDING in UPGRADES.” “And God is able to make all grace abound to you so that in all things at all times having all you need you will abound in every good work” (2 Cor. 9:8). Three days later the Lord led me to 2 Samuel 2:1b: “The Lord says, ‘Go Up!’” In context, David specifically asked God where he should go and God told him to go up, specifically to Hebron—the beginning of it all, the place of Abraham. In Hebrew Hebron is derived from the word for friend and means “friendship with God.” As friends of God, He loves for us to sit and dwell with Him, to Go Up into His Presence as a friend. He also longs to give us good things. He takes the broken, stolen things and restores them, not as they were but as UPGRADES, even better. Not only better, but THE BEST ONE. The father gives the prodigal son not only a robe, but the best one! (Luke 15:22).

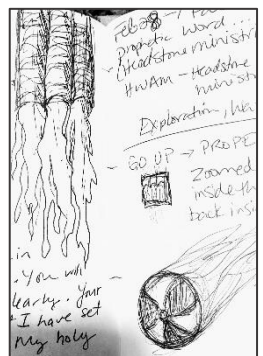

I am an artist, a pastor’s wife, a youth director and contemporary worship leader. Sometimes I see visions, but I have not really known what it is to be a “seer prophet.” This year, I began praying for the Lord to train me, to confirm what I was hearing and seeing, and to grow this gifting in me. Toward the end of the month, I was feeling a little low. I had not received any confirmation of what I was hearing. I specifically prayed for God to confirm the word “UPGRADE” because I had not yet seen any others speak of it. The very next day, January 30<sup>th</sup>, 2020, the Elijah List released a word from Lana Vawser- “The Lord Says: In the Next 4 Weeks, Watch for an Unusual Move of My Spirit” in which she proclaims that there will be Upgrades & Rewards for the Faithful. What Confirmation!

A few weeks later God began to speak to me through my study of the prophets that a “Day of the Lord” was near. From my journal: “One day You act. You move things along in the narrative. You give a new song. You speak afresh, You provide the help needed. You judge and bring consequences for our good. Father, Father, Father, I need AIR> to BREATHE YOU in. Blow upon the coals of my heart. Stir in me flames of passion & love.” And His word in return, “Practice Prayer. Practice Worship. Practice saying “Yes” to Me. Practice opening your hand to receive My rewards. Practice wisdom-seeking. Practice vision-seeing. New growth is springing Upward.”

On February 10<sup>th</sup>, 2020... I heard this, “The Day is NOW. Yesterday Is.” I saw multiple “snippet visions” or “inklings” as I like to call them. I drew the Rocket inkling with the words FORCE. MOMENTUM. UP. “We’ve gone past the slow stream to the swift moving current. We are moving ahead to something deeper. Pushing forward past the fall (waterfall?), toward the Triple Peace & Wind-Pounded city. We

are being PROPELLED FORWARD.” On February 28<sup>th</sup> I came across Marie Baczko’s word “3-2-1 Lift Off” and was immediately pierced in my Spirit. In addition, on February 28<sup>th</sup> I saw a beachball with flames of wind behind it. It was lightweight, easily picked up by the wind and propelled forward by gusts.

On March 3<sup>rd</sup> I awoke with the words, “HOPE is the FUEL that Propels the Rocket. It is a mindset.” Then was led to Mark 3:3 in my morning devotions where Jesus says, “COME FORWARD” to the man with the withered hand. We must actively move in this season in HOPE. We are being propelled but we must also actively come forward toward Jesus. We must Get Up and Come Forward in simple obedience. The man with leprosy came an knelt before Him, and the Lord was willing to touch him & make him whole (Matthew 8).

There are more inklings coming forth weekly to me and I have much more to share. But I will stop for now. I thank you for listening and seeking God’s heart in these matters.
